Echoes of
Blue Sky
Book 1

On this new continent, what I considered the most magnificent view, was this endless blue forest that stretched as far as the boundless ocean. It was the haven of savage beasts, and is now a remnant of our past.

the Akoom who had been helping me hasty told me:

"Don't go into the forest at night."

I soon realized the meaning behind his words.

Long ago—

Dragons were revered as Gods.

But now, they're just great beings in fairy tales.

, and then he continued,

"Stranger, do not tread
into the forest at night.
It is not you."

"No, it is you!"
